

### **Manuscript Processing and/ or publication charges:**

Once a decision is taken to publish a manuscript, the same will be conveyed to the corresponding author. The author(s) of the manuscript have to pay processing and publication charges, the details of which are mentioned below. A separate email will also be sent to the corresponding author by the Chief Editor of APJHS regarding the details of the mode of payment. In case the authors have paid the processing and publication charges to APJHS following approval for publication but have not made the pending changes as suggested by the reviewers, APJHS will go ahead with the publication of the manuscript as received in case there is no response within 2 weeks from the authors. However, in case of serious flaws, the decision to publish will be withheld pending rectification by the authors.

Original article/ Review article/ Case report- Rs. 2550/- for articles from within India; \$50/- for articles from outside India.

Images in Medicine/ Short Communication/ Letter to Editor- Rs. 1850/- for articles from within India; \$ 30/- for articles from outside India.

For Authors from Afghanistan, Bangladesh, Bhutan, Maldives, Nepal, Pakistan and Sri Lanka (SAARC Countries): Rs. 1850/-(INR) per manuscript (including all taxes).

Undergraduate and post-graduate students submitting manuscripts for publications are eligible for a discount of 20% on the processing and publication charges provided that the undergraduate or post-graduate student is the designated first author of the manuscript.

### **Fast-tracking of publication process:**

The Journal offers the facility of speeding up publications for those authors who need the process to be completed early. The time taken for the review process will be around 1 week. The authors will be immediately informed regarding acceptance of their manuscript for publication after approval from reviewers. However, the publication and processing charges mentioned below for the different categories of articles will be higher than those which follow the normal procedure after the manuscript is submitted for review to the journal.

Original article/ Review article/ Case report - Rs. 3550/- for articles from within India; \$ 75/- for articles from outside India.

Short Report/ Images in Medicine/ Short Communication/ Letter to Editor- Rs 2100/- for articles from within India; \$ 40/- for articles from outside India.

If you required a printed version of the journal will henceforth be dispatched to the first author/any author of article published in the APJHS after the receipt of the payment. By sending a additional payment of Rs.650/- or USD 20/- The manuscript will be released for online and

print publication only after the receipt of the payment and the Copyright transfer agreement is confirmed. Note:
